using a broad range of literature to examine the political culture of white south africa peck finds both a preoccupation with political issues and a dislike for politics the literature examined ranges from south african propaganda through a variety of bestsellers adventure stories and mystery novels written by authors such as wilbur smith and james mcclure to self conscious literary works of the canonical white south african authors such as alan paton andré brink and nadine gordimer the study gives attention to anti political features of the liberal tradition that dominated south african writing and to the failure of writers who undermined that tradition to generate a more positive view of politics the morbid fascination with politics that is found across the full spectrum of creative writing is a reflection of the circumstances in which writers found themselves but it is still a worrisome feature of the white south african political culture

engage your readers with emotion while writers might disagree over showing versus telling or plotting versus pantsing none

would argue this if you want to write strong fiction you must make your readers feel the reader's experience must be an emotional journey of its own one as involving as your characters struggles discoveries and triumphs are for you that's where the emotional craft of fiction comes in veteran literary agent and expert fiction instructor donald maass shows you how to use story to provoke a visceral and emotional experience in readers topics covered include emotional modes of writing beyond showing versus telling your story's emotional world moral stakes connecting the inner and outer journeys plot as emotional opportunities invoking higher emotions symbols and emotional language cascading change story as emotional mirror positive spirit and magnanimous writing the hidden current that makes stories move readers can simply read a novel or they can experience it the emotional craft of fiction shows you how to make that happen
